

## **Clean Car Rebate Information**

## Caveats

- The information provided may vary due to transactions being processed, system reporting delays and data entry anomalies.
   Data has been extracted from the Waka Kotahi Motor Vehicle Register (MVR) Waka Kotahi Qlik apps
- Data includes the expanded Clean Car Discount scheme and Clean Car Immediate rebate scheme
- Data can only be reported on vehicles that have ever been entered in the Motor Vehicle Register (MVR). Imports for private use would not be recorded.
- Registered in relation to a vehicle, means registered under Part 17 of the Land Transport Act 1998, and consequently a vehicle will have plates issued to it.
- Data is limited to vehicles that are one of the following vehicle types:
  - o Passenger Car/Van
  - o Goods Van/Truck/Utility
  - o Bus
  - o Motor Caravan
- Data is limited to vehicles with a Gross Vehicle Mass (GVM) of 3,500kg or less.
- Rebate Data is limited to vehicles that have one of the following classifications:
  - o A Rebate application has been approved and paid to the customer as of 14th August 2023.
- The make and model of a vehicle is taken from how it has previously been registered in the country it has been exported from
- Data quality is dependent on the accuracy of information being entered/provided by each individiual owner.
   Values are reflective of Rebates that have been paid to customers, excluding rebates pending review or processing.
- Owner Region and Owner Town data is reflective of the region where the vehicle is registered only.
- Owner town is free text data entry, accuracy of data is dependent on the accuracy of information provided to Waka Kotahi.
- Due to processing errors and/or data entry anomalies, count of rebates may vary due to multiple entires for individual vehicles.
