

Clean Car Rebate Amount by Organisation

- The information provided may vary due to transactions being processed, system reporting delays and data entry anomalies.
- Data has been extracted from the Waka Kotahi Motor Vehicle Register (MVR) Waka Kotahi Qlik apps
- Data includes the expanded Clean Car Discount scheme and Clean Car Immediate rebate scheme
- · Data can only be reported on vehicles that have ever been entered in the Motor Vehicle Register (MVR). Imports for private use would not be recorded.
- Registered in relation to a vehicle, means registered under Part 17 of the Land Transport Act 1998, and consequently a vehicle will have plates issued to it.
- Data is limited to vehicles that are one of the following vehicle types:

 - o Passenger Car/Van o Goods Van/Truck/Utility
 - o Bus
 - o Motor Caravan
- Data is limited to vehicles with a Gross Vehicle Mass (GVM) of 3,500kg or less

- The make and model of a vehicle is taken from how it has previously been registered in the country it has been exported from.
 Data quality is dependent on the accuracy of information being entered/provided by each individiual owner.
- Values are reflective of Rebates that have been paid to customers, excluding rebates pending review or processing.
- Owner Region and Owner Town data is reflective of the region where the vehicle is registered only.
- Owner town is free text data entry, accuracy of data is dependent on the accuracy of information provided to Waka Kotahi.
- Due to processing errors and/or data entry anomalies, count of rebates may vary due to multiple entires for individual vehicles.
