

# 29 Tauriko West – Ōmanawa bridge replacement

The first deliverable of this project is the replacement of the SH29 Ōmanawa bridge with short sections of road linking back into the existing SH29. A business case was approved for this corridor in 2023, the next phases are consenting, detailed design, procurement and construction.

- Existing state highway
- New state highway
- New bridge
- Redwood Lane intersection upgrade - Tauriko Enabling Works

This map is for illustrative purposes only.

Construction timing is dependent on NZ Transport Agency Waka Kotahi securing necessary funding and approvals. The Government Policy Statement on land transport (GPS2024) requires alternative funding and financing be considered. This will include assessing all Roads of National Significance for tolling.
