

Mangamuka Gorge road closure

Waka Kotahi NZ Transport Agency advises SH1 between Mangamuka and Kaitaia is closed due to significant damage to the road caused by extreme weather. We are repairing 15 critical slips and the road is planned to reopen in late 2024.

The official detour route is via State Highway 10 and may add up to 40 minutes to the journey. This route is safe for all vehicles, including heavy and freight vehicles.

The Twin Coast Discovery Highway is also open and provides a scenic alternative. This route is only suitable for light vehicles and campervans.

Thank you for your patience.

Turn over for detour information and to access the most recent updates about SH1 Mangamuka Gorge slip repairs progress.
