

SH10/WAIPAPA ROAD CORRIDOR IMPROVEMENTS

The feedback we have received has resulted in a number of changes to the plan. The feedback we gather here today will inform the consent design and will be submitted with our consent application.

Original Plan

Feedback

- Too close to some businesses
- No parking directly in front of some businesses
- Need customer access alongside Home Heating.

What Changed

- Roundabout shifted north to provide customer access and more parking
- Removed potentially unsafe left turn from Waipapa Loop Road onto SH10.

Version Two

What Changed

- Green space reduced and more carparks provided
- Exit from Skippers Lane onto SH10 aligned with vehicle crossing from carpark.

Feedback

- Green space to large, maximise parking instead
- Align exit from Skippers Lane onto SH10 with vehicle crossing from carpark for delivery trucks.

Version Three

Final Feedback

Consent Design
