# SH75 Halswell Road Improvements

**What** We'll be temporarily installing a one way traffic management system

**Where** Rowley Avenue, between Halswell Road and Redgrave Street

**When** Monday 28 July 2025, for about 3 weeks

## What are we doing?

From Monday 28 July, we'll be back working on Rowley Avenue, between Halswell Road and Redgrave Street.

We've partnered with Christchurch City Council to help deliver the water main pipe upgrade, along Halswell Road (between Templetons Road and Curlests Road), as part of a wider effort to improve infrastructure in the area. By installing the council's new water main at the same time as our other work, we're saving time, reducing disruption, and keeping the road in better shape for longer.

The upgrade also includes replacing the water main along Rowley Avenue, to Redgrave Street, and its connection to the new Halswell Road water main. We'll need to install a one way traffic management system while we do this work, as shown over the page.

## Traffic impacts

The one way traffic management system will be in place from Monday 28 July, for about 3 weeks. There will be no access onto Halswell Road from Rowley Avenue - please use the signposted detour routes via Barrowclough Street to the west and Mathers Road to the east.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we're working so we can keep our workers and everyone safe.

*Access has been planned for and will be provided for emergency services during this time.*

## Driveway access

Access to properties and businesses will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty of notice of this. However, if you need to get into or out of your property or business and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

***We're sorry for any disruption and thank you for your patience.***

## CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, or email [cant.info@fultonhogan.com](mailto:cant.info@fultonhogan.com) to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.

## Traffic management layout

This notice outlines the next phase of construction on Rowley Avenue. We'll need to return at the end of the project to complete some finishing works such as final surfacing and linemarking. We'll update you, closer to the time, with what this will mean regarding traffic management in this area.
