SH75 Halswell Road Improvements

- Cardinal Drive

What	We'll be temporarily closing a road
Where	Cardinal Drive, between Halswell Road and Wolsey Place
When	Tuesday 14 October 2025, for about 9 weeks (finishing before the Christmas break)

What are we doing?

From Tuesday 14 October, we'll be working on Cardinal Drive, between Halswell Road and Wolsey Place. Our works include removing the existing road and rebuilding it in layers. Due to the road width in this area, Cardinal Drive (between Halswell Road and Wolsey Place) will need to be closed as shown on the map.

Traffic impacts

The road closure will be in place from Tuesday 14 October for about 9 weeks. There will be no access onto Cardinal Drive from Halswell Road and vice versa during this time - please use the signposted detour routes via Augustine Drive.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we are working so we can keep our workers and everyone safe.

Access has been planned for and will be provided for emergency services during this time.

Driveway access

Access to properties and businesses will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty of notice of this. However, if you need to get into or out of your property or business and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, or email cant.info@fultonhogan.com to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.

Traffic management layout

This notice outlines the next phase of construction on Cardinal Drive. We'll need to return at the end of the project to complete some finishing works such as final surfacing and linemarking. We'll update you, closer to the time, with what this will mean regarding traffic management in this area.
