

# SH75 Halswell Road Improvements

<b>What</b>	Rowley Ave road closure
<b>Where</b>	Rowley Ave at the intersection with Halswell Road
<b>When</b>	Monday 13 January 2025, for about seven weeks

Thanks again for your patience during the last few months of 2024. During January and February, we'll be installing new utilities, traffic light foundations and new kerbs, as well as building the new road. This work requires a full road closure, as shown over the page.

## Traffic impacts

The road closure will be in place from Monday 13 January 2025, for about seven weeks. There will be no access onto Halswell Road from Rowley Ave and vice versa during this time - please use the signposted detour routes via Barrowclough Street and Redgrave Street.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we're working so we can keep our workers and everyone safe.

*Please note: Access for emergency services will be provided if required.*

## Driveway access

Access to properties will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty notice of this. If you need to get into or out of your property and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

***We're sorry for any disruption and thank you for your patience.***
