Objective of the Rule

The objective of *Land Transport Rule: Vehicle Standards Compliance Amendment 2021* (this Rule) is to make amendments to *Land Transport Rule: Vehicle Standards Compliance 2002* to:

- revoke the definition of Authority; and
- update definitions to cross-reference the current legislation (being *Land Transport Act 1998* not *Transport Services Licensing Act 1989*).

Extent of consultation

For the purposes of consultation, amendments proposed to *Land Transport Rule: Vehicle Standards Compliance 2002* and other land transport rules were combined into a single draft rule, the *Land Transport Rule: Regulatory Stewardship (Omnibus) Amendment 2020* (the Omnibus Amendment Rule). Following consultation, the provisions in the Omnibus Amendment Rule were split into separate amendment rules. The amendments to *Land Transport Rule: Vehicle Standards Compliance 2002* were put into this Rule.

The NZ Transport Agency sent out notifications of the amendment proposals by email to approximately 1861 groups and individuals who had registered an interest in the rules to be amended. The Omnibus Amendment Rule was made available, together with an overview document, on the NZ Transport Agency's website. Public consultation was carried out from 25 August 2020 to 16 October 2020. The availability of the amendment proposals for comment was publicised in the *Gazette* on 26 August 2020.

The NZ Transport Agency received 23 submissions on the Omnibus Amendment Rule, 1 of which was regarding proposed amendments to *Land Transport Rule: Vehicle Standards Compliance 2002*. The submission received was taken into account in finalising this Rule, following which this Rule was submitted to the Minister of Transport for signing.
