SH35 Ōpōtiki to Te Puia Springs

SH35 Te Puia Springs to Tolaga Bay

The bypass tracks around Hikuwai Bridge #1 and the Mangahauini Gorge are now open with stop/go traffic management and speed restrictions to manage access.

Construction of the Bailey bridge over Hikuwai River continues, with completion expected by mid-June.

SH2 Ōpōtiki to Gisborne

Road is open 24/7 however there are multiple areas under traffic management, particularly in the Otoko area.

Manganuku Bridge has a temporary speed restriction on overweight vehicles.

General access trucks can continue to use the bridge.

More slip stabilisation work may be required ahead of winter.

Proactive road rehabilitation continues, this will ensure the road can sustain winter weather and increased traffic volumes.

Asphalt resurfacing work commences in June.

SH38 Frasertown to Aniwaniwa Falls

The road is open with temporary traffic management and some speed restrictions.

Work to repair an underslip next to the Waikaretaheke River has commenced.

SH2 Wairoa to Bay View

Repairs have been completed to a point that access can be reinstated.

Work will continue to further restore access towards standard levels of service.

From 7am Wednesday 31 May the road is open 24/7.

Traffic management will be in place and works continue.

SH2 Waikare Bridge

The Bailey bridge is open, with a 10km/h speed limit. The bridge will 'deflect' or 'sag' when vehicles drive over it, which is expected.

SH2 Gisborne to Wairoa

Open to all traffic with some areas under traffic control.

SH35 Tolaga Bay to Gisborne

General Gisborne

Work continues across the region to restore levels of service. Proactive works continue on SH2 between Ōpōtiki and Gisborne to hold the route over winter.

Bypasses around the Hikuwai Bridge #1 and Mangahauini Gorge remain in place.
